

Dear Dr. Bracelove

Dear Dr. Bracelove,
I'm really anxious to get my braces,
but every time I come in the office, Dr.
Gorman says 6 more months. Why
can't I have them now like some of my
other friends??

Johnny Can't Wait

Dear Johnny Can't Wait,
Your friends might have more
permanent teeth in their mouth than
you do or they might have started
early so Dr. Gorman could make
space for their teeth to come in
straight. Dr. Gorman doesn't want you
to have your braces too soon or you
might get tired of brushing them.
Don't worry, your time will come.

Dr. Bracelove

Dear Dr. Bracelove,

My retainers give me bad breath and I
don't want to wear them. Can I quit??

Breath Spray Queen

Dear Breath Spray Queen,

Here's a real good hint for fresh
breath. Always brush your retainers
with toothpaste and soak them in
mouth wash or efferdent and then
you'll be the Fresh Breath Queen!
