# Office News

*It's a Girl!*  
Alivia Marie Shaw was born February 24th, 2006. Her proud mommy Niccole is one of our Clinical Assistants.

She weighed 8 lbs 12 oz

Alivia is also the daughter of Daniel and the baby

Our office has two new features that we are excited to tell you about! We have created a ***“Patients in the News”*** wall. We are collecting photos and articles from the local newspapers of our patients' recent accomplishments. If you have been featured in any publication, bring it in to the office so we can share it with our other patients.

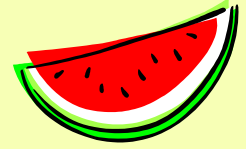

## WOW!

The ***“Champions”*** board is also something we have been working on. Giving back to the community is something we at Gorman Center for Orthodontics feel very strongly about. This board will highlight what Dr. Gorman, the staff and our patients have done to give back to our community. If you have contributed in any way, then you too are a champion. Please share it with us and we will put it on our board!
